For Transwell® inserts, please see pages 941 to 942

Microplates, 96 well, polystyrene, sterile

CORNING

- Certified non-pyrogenic
- Universal footprint and raised bead to aid stacking
- Alphanumerics provide well identification
- Clear plates with lids

10687551 and 10298901 provided with special low evaporation lids.

10321201 and 10062511 have half the growth area of standard 96 well plates.

10688771 1 x 8 Stripwell™, packaged 12 strips per plate.

TC-treated = tissue culture treated.
